# 1. Editorial Policy

The Nissha Group believes that appropriate information disclosure and communication with stakeholders are important. The Nissha Report, an integrated report, comprehensively provides financial and non-financial information to shareholders, investors, and other stakeholders, including the company's initiatives for sustainable corporate growth. The Nissha Sustainability Report (this report) is published once a year to provide comprehensive and detailed information on non-financial information.

Sustainability Report 2024 covers our initiatives and performance in the fiscal year ended December 2023 (January–December 2023), following the editorial policy given below.

## The Role of Nissha Sustainability Report

## 1-1 Guidelines Used as Reference

- The GRI Sustainability Reporting Standards
- ISO26000
- Environmental Reporting Guidelines 2018, issued by the Japanese Ministry of the Environment

## 1-2 Period Covered

From January 2023 to December 2023

## 1-3 Publication Dates

Current issue: July 2024 for Japanese, August 2024 for English  
 Last issue: July 2023 for Japanese, August 2023 for English  
 Next issue: June 2025 for Japanese, August 2025 for English (planned)

## 1-4 Scope of Reporting

The information and data contained in this report focus mainly on activities conducted by the Nissha Group. Where information for the entire group is not available, the scope of reporting is indicated separately. "Nissha" or "the Company" refers to "Nissha Co., Ltd." while "Nissha Group" or "the Group" collectively refers to the Group overall, including Nissha Co., Ltd. "Headquarters" or "Kyoto Global Headquarters" refers to the headquarters and affiliated companies located within the headquarters premises. The major affiliated companies of each Nissha Group business are given below. Significant activities conducted by companies in our supply chain are also included in this report.
